

Public Health Nurse

Monday thru Friday!

Jefferson County Health Department engages and empowers the community to practice healthy lifestyles so they are able to create a thriving community where all residents will have a fair and just opportunity to be healthy. The Health Department values teamwork, collaboration, family community, accountability and integrity, creativity, striving for excellence, acceptance, and respect while carrying out their variety of programs offered.

The Health Department is currently hiring a Public Health Nurse to provide a variety of professional public health nursing services to residents of Jefferson County.

As a passionate, organized, and knowledgeable Public Health Nurse, you will be successful in completing the below key tasks and responsibilities:

- Assess individuals and families through interviews, observations, and examinations in home, school, office, and clinic settings in order to provide nursing services, establish care plans, and refer residents to County services
- Provide variety of nursing services and education including pregnancy tests, mental health injections, substance abuse support, tuberculosis (TB) skin tests, immunizations, Well Child physicals, fluoride dental varnish, and referral to other community resources
- Provide Maternal Child Health services to pregnant women and families with young children to promote healthy pregnancy, provide breastfeeding support and developmental screening and guidance
- Conduct Communicable Disease Investigation and follow-up
- Provide case management for Childhood Lead Poisoning
- Variety of other tasks will be needed

Salary range: \$61,110 - \$78,520, commensurate with experience. Normal hours are typically Monday – Friday **with no holidays or weekends!** However, due to the pandemic, evenings and weekends may be temporarily needed. Also included is an excellent County benefit package, including a current 6.5% match to the Wisconsin Retirement System.

Qualifications Needed:

- Bachelor's degree in Nursing
- State of Wisconsin Registered Nurse License
- Valid Driver's License
- CPR Certification

Qualifications Preferred:

- Two years' experience
- Child Passenger Safety Technician certified
- Training or knowledge in Childhood Immunizations preferred
- Certified Lactation Consultation

Applications will be accepted until this position is filled.

Application and position details are available at www.jeffersoncountywi.gov or Jefferson County Human Resources: 311 S. Center Ave. Room 111, Jefferson, WI 53549.
